CERTIFICATION OF COMPLIANCE WITH THE SECTION 64.1804 OF THE RULES  
OF THE FEDERAL COMMUNICATIONS COMMISSION

I, Robert L. Connelly, having been duly sworn, attest as follows:

I am the Vice President and Chief Regulatory Counsel of Qwest Services Corporation. Qwest Services Corporation is the corporate owner, either directly or through intermediate subsidiaries, of Qwest Communications Corporation, Qwest Corporation, Qwest Interprise America, USLD Communications, Inc. and Qwest LD Corp. I am authorized to execute this certification on behalf of Qwest Services Corporation and its affiliates.

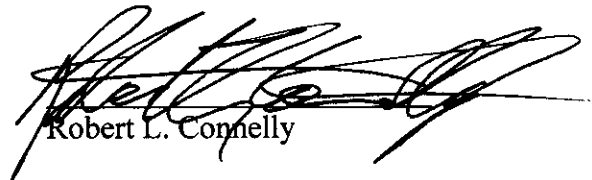

These companies provide interstate interexchange telecommunications services that are subject to 47 USC Section 254(g) and Section 64.1804 of the Rules of the Federal Communications Commission.

I am familiar with the rules and regulations of the Federal Communications Commission concerning rate integration and rate averaging and with the interexchange telecommunications services of these companies.

Pursuant to Section 64.1900 of the Commission's rules, I hereby certify that, to the best of my knowledge and belief and with limited and temporary exceptions caused by the fact that in-region interLATA service must be provided on a temporary basis by Qwest LD Corp, no Qwest interstate offering subject to the certification requirements of Section 64.1900 violates the rate integration or rate averaging provisions of the Telecommunications Act of 1996 or the Commission's implementing rules.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief based on records currently available.

Dated April 30, 2002.

  
Robert L. Connelly
